SUZETTE DONLEAVY

Well-Designed Interiors is a full-service residential design firm catering to the needs of clientele since 1998. Whether you are building your dream home or planning one room at a time, Suzette Donleavy incorporates architectural knowledge with modern design sensibility for today's lifestyle. Attending to the smallest of details, her keen eye ensures client satisfaction of the finished project while providing integrity, value and high-end service.

A well-designed space is achieved through harmonious collaboration between client and designer, a carefully thought through plan and a discerning eye to know what will stand the test of time while

maximizing your investment. Suzette carefully listens to the desires of families, turning design dreams into gracious and welcoming homes that reflect a casual yet sophisticated elegance and a beautiful backdrop for daily living. Her relational skills ensure the clients' personality is the hallmark of their home.

Working in the community through the years, she has established long-standing relationships with many of the area's prominent architects, builders, trades and showrooms, enabling clients to benefit from the seamless teamwork.

Her work has received national, region and local recognition, including numerous editorials through the years in *Design NJ*.
